

SOUTH WEST INSTITUTE OF TECHNOLOGY

External Studies Term 1 2012

External study is ideal for students who are unable to study on-campus because of their geographic location, employment commitments or other circumstances.

Through external study you are still able to realise your career aspirations working at your own pace with the support of lecturing staff who are available to assist and guide you.

Interested in other modes of study?

The Institute offers a comprehensive range of full time, part time and short course options. For more information on these courses contact our Course Information Service.
